Community Supported Agriculture

Farmers' Market Share

What is Community Supported Agriculture?

CSA is a system of food distribution based on trust between the member and the farmer. By making your purchases in advance, you (the member) provide us with working capital and a guaranteed market for our produce. We will, in turn, provide you with the produce of your choice, grown to the best of our ability. Because you will provide a guaranteed market for us , we can offer a discount to you. The members and the farmers become partners in caring for our small family farm.

Who We Are: A Tale of Two Farmers

We both were raised in nearby Williamstown and come from several generations of Williamstown farm families. In 1984 after searching for a place to raise our family we came to Pownal and began to homestead. Homesteading turned into market gardening on a large scale when we recognized a growing need in our community for fresh local organic produce. In 1989 Wildstone Farm became the first farm in Bennington County to become certified organic. Consider joining us in 2021 as we proudly celebrate our 37th year here in Pownal and our 32nd year of organic certification by Vermont Organic Farmers. In 2020, Wildstone Farm also became certified by The Real Organic Project.

Our Farmers' Market Share CSA

Our Farmers' Market Share CSA uses a debit-style system. As a member you can purchase a share, the size that is convenient for you, which is redeemable for whatever we sell at the Bennington Farmers' Market from May 1st to October 30th. Your account is updated with each purchase. Shares must be fully redeemed by the outdoor Market's end on October 30th.

I understand that as a member I take the risks and reap the rewards of this working farm. My membership is protected by a combined half century of good farming practices and experience. However, I also understand that crop yields are dependent on Mother Nature and that crop losses or delays are a possibility. I understand this and wish to become a member of the Wildstone Farm CSA.
